

# & BE HEALTHY

**December 1st, World AIDS Day**

## GET TESTED

don't rely on luck  
get tested and know for sure  
the risk is not knowing  
knowing gives you power  
and know that you can  
continue to live  
full and rewarding life  
regardless of the results

## INFORM YOURSELF

don't discriminate  
be the change  
you wish to see in the world  
knowledge is the best prevention

## USE PROTECTION

stop and think  
love yourself and others  
be healthy
